

Town of Fremont NH
Directions for Submitting a Driveway Paving Application

Complete the attached form. Return it to the Town of Fremont
Selectmen's Office
PO Box 120
Fremont NH 03044-0120

With a fee of \$45.00 made payable to Town of Fremont

You must call the Road Agent, Guerwood Holmes (603 300 7429) PRIOR to paving. He will do an inspection of the driveway, grades, drainage, etc to ensure it is ready to be paved.

He will sign your application once that inspection is done (under Authorization to Pave) and will tell you it is OK to proceed.

You should tell him when the paving is scheduled. He will likely come by that day to see the work, and will also do a final inspection when it is completed. At that time, he will sign the Final Inspection portion of the permit. At that time, we will return a copy of the permit to you for your records.

If you have any questions regarding specifications, call Guerwood Holmes at 300-7429.
